EDUCATION

Kettering University, Flint, MI

July 2022 - Present

Bachelor of Science in Mechanical Engineering

- Senior III | B-Section
- GPA : 3.85
- Major in Mechanical Engineering
- Relevant course work: Dynamic Systems with Vibrations/Controls, Fluid Mechanics, Heat Transfer, Mechanics of Materials

WORK EXPERIENCE

Martinrea International, Auburn Hills, MI

July 2024 - Present

Product Engineering Co-op, Chassis

- Developed a Python script to automate FEA simulation input file generation, cutting processing time by 98% (50 min to 30 sec per 100 files) and accelerating CAE engineer workflows
- Collaborated with cross-functional engineering teams to support the development and validation of metallic stamped chassis components for automotive OEM programs

Valiant TMS, Auburn Hills, MI

January 2023 - April 2024

Aerospace Engineering Co-op

- Led design of a large-scale walking platform and staircase for workers to gain access to maintenance points within a Body-in-White assembly line
- Designed manufacturing solutions for the aerospace industry in CATIA V5

Visions of Paradise, Shelby Twp, MI

May 2022 - October 2022

Landscape Technician

- Identified and addressed potential issues with landscapes to prevent damage and ensure long-term viability
- Increased the aesthetics of both commercial and residential properties by planting thousands of flowers, replacing hundreds of square feet of grass with fresh sod, and trimming hundreds of bushes

Pita Way, Warren, MI

September 2019 - September 2021

Restaurant Worker

- Managed multiple tasks simultaneously, such as cooking and preparing up to 30 meals per hour, restocking consumables including 50+ ingredients and supplies daily, and maintaining the cleanliness of the restaurant
- Adhered to all health and safety regulations, including maintaining a clean environment by sanitizing surfaces every 2 hours and ensuring proper food storage temperatures were met

TECHNICAL SKILLS

- CATIA V5
- SolidWorks
- SAP PLM
- Microsoft Office Suite
- Python

HONORS

- Kettering Presidential Scholarship Recipient
- Dean's List: Fall 2022, Spring 2023, Fall 2023, Spring 2024, Fall 2024, Spring 2025, Fall 2025

LEADERSHIP EXPERIENCE

- Served as President of Kettering Golf Club
- Served as Vice President of Membership Development in Pi Kappa Alpha
